

FROM THE PRINCIPAL

We have reached the end of another successful term. The pupils have been given ample opportunities to show their worth by taking part in the numerous inter school fixtures in Girls Soccer, Boys Hockey, Tennis and Athletics.

Effective learning and teaching has taken place and most of the pupils have taken their work seriously and have achieved pleasing results.

Mr Hennie Lombard left us earlier in the term for personal reasons. We thank him for his dedicated service to the school and for being fully involved in sport and other extra mural activities. We wish him well for the future.

After two postponements we eventually held our Inter-House Athletics meeting in sunny conditions. After an enjoyable morning, Smuts house managed to score enough points to win. Des Manning, an old boy from the 1940's was our guest of honour. He was the Senior Athletics Champion at Richmond Primary in his day. He has the record for bowling six batsmen out in one over, during a cricket match against a visiting school. He addressed the pupils and spectators and presented the trophies. Jan and Jeff English were also invited as they attended Richmond Primary with Des. Des brought his partner, Jenny, with him and the four spent the day catching up and exchanging stories of their earlier days at Richmond Primary.

Nasrin Essa, Abuzar Desai, Ms Nonhlanhla Mkhize and Mr Emllyn Serge will be travelling to Kimberly on Sunday, 2nd October to take part in the National Schools Debating Competition. We wish them the best of Luck and also wish them an enjoyable journey in the luxury bus which has been provided by the Education Department.

Uwais Dawood took part in the Inter Districts Cricket Tournament which took place over the week-end. The Midlands Team did well with Uwais making a good contribution.

We held a Spring Time celebration in the form of plays, dressing up and a flower show on Thursday which was enjoyed by all and thereafter there was an open afternoon.

I wish you all a happy and enjoyable break with your children next week. We look forward to a busy and enjoyable fourth term.

Thank you

Q St Leger

At the Computer Lab

The third term has been a busy one during our computer lessons. Mr Serge and Mrs Malyon, the current computer teachers ensure that the computer lessons are interesting and help the children in every way possible.

The grade 2's and 3's have been busy learning about Microsoft PowerPoint, Excel, Word and the properties of computers. Our grade 1 learners focused on Sports and Animals. This term, the Foundation Phase made great progress and shared many ideas with each other.

Our Intermediate Phase classes with Mrs Malyon have focused on Biomes, Famous People, Civilisations, African Countries, Self image and Natural Disasters. The learners explore the outside world through their research and have lots of fun and learning during computer lessons.

"COMPUTER TECHNOLOGY IS SO BUILT INTO OUR LIVES THAT IT'S PART OF THE SURROUND OF EVERY ARTIST."

STEVEN LEVY

Kodak Moments

Good luck to Nasrin Essa and
Uthmaan Desai .

They are representing our Province
