

Dear Parents

We are fast approaching the end of a busy term and year and there is still much to be done in the next few weeks before we can relax with our families and enjoy our holidays.

There have been some new developments this term. Miss Westbrook has kindly co-ordinated our month-long trial period for "Matific", the computer based Maths programme which can also be used on the interactive whiteboard. The children have enjoyed being able to play Matific educational games at home as well.

We are busy getting ready for our Junior Primary Prize-Giving which will be held on the morning of 1 December. More details will be given soon. Everyone is very involved with the end of year flurry of final reports and other details which need to be completed.

We wish you all a happy and relaxed holiday period as you spend family time with your children and other family members.

" Make memories to last a life-time!"

Jean Brown

(Foundation Phase H.O.D)

The computer and the library centre.

"Any book that helps a child to form a habit of reading, to make reading one of his deep and continuing needs, is good for him."

— Maya Angelou

Our library has been busy with the children choosing books and reading them. The atmosphere in the library is comforting and relaxed which encourages the children to love books, which range from adventure to animal stories and more.

Miss Khan ensure's that the children get to choose their most appropriate books Miss Khan recently bought the 2016 Worlds Guinness Book of Records which the children find especially interesting. Some of our children dream of setting a world record . Anything is possible!

In the computer lab, the children have been busy with Matific and improving their maths skills. Our foundation phase love it to bits as they keeping asking ...'When are we going to do Matific?' Their eagerness for Mathematics is really encouraging. 'Matific is really fun!' said one of the learners.

"New technology is common, new thinking is rare."

— Sir Peter Blake

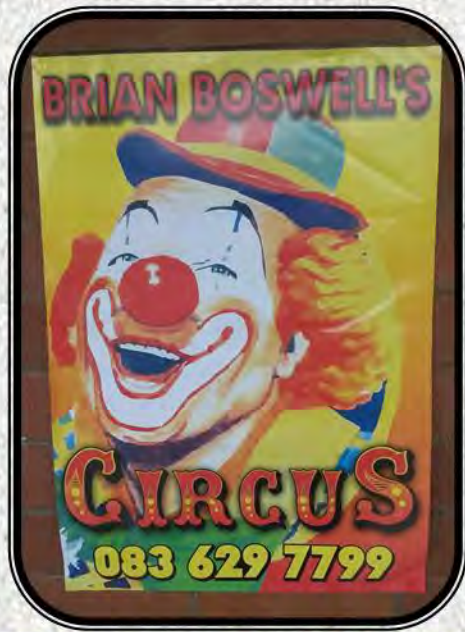

Kodak Moments

The school shall be attending the Circus

On the 23rd of November

The school shall be covering the costs.

Up coming events for weeks 7 & 8
